President's Message

Kids are back in school, the baseball season is winding down, and Light and Shadow is ready for its last two competition cycles of the year (those involving Pictorial, Nature, and Creative). Given that context, I want to discuss some membership and organizational issues.

John Zimmerman has spent a lot of time reorganizing the club database and the membership application and renewal procedures. Nearly all of us are scheduled to renew by October 1st. There will now be two fundamental components in that process. (1) If you pay by check, do as before; make it out to our Treasurer, Dick Lee. But (2) importantly, give the check (or cash if you prefer) to the Membership Chairman John Zimmerman. John will record your information and payment in the database and then forward the money or check to Dick.

As part of the process, John has designed a new application/renewal form that each of us will fill out whenever we choose to renew. That way if someone is going to be gone at renewal time (such as Dwight with his trip to England this year) they can renew early. Or if someone has moved and changed phone numbers (like Peter of the broken elbow) the change will be recorded. John will have these forms available at every meeting ... and they have already been put into use. Jim Wheldon was the first to apply that way and Claudia and Gordon Peterson are the first to be renewed to 10/1/2005.

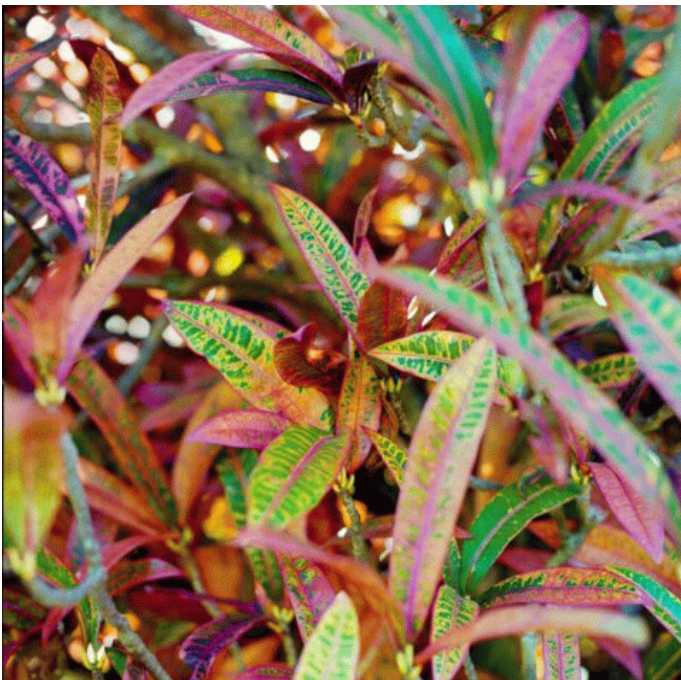

Organizing all this was no small task, so "Thank you John Zimmerman". Given this new setup, there will be no confusion about next year's competition. Those who are paid-up will be able to compete ... those who are not, will not.

Jim Hawkins
