### **Note from Newsletter Editor**

Since no Digital competition images were received this month, no competition images are included in this Newsletter.

Since there is no competition in December, the next Newsletter to be published will be the February 2011 edition which will have a publication deadline of the first Friday in February.

At the recent Club meeting, it was decided to return to the previous schedule, which allows for one competition per month which will be held on the second Tuesday of the month. The fourth Tuesday of the month will be reserved for programs.
